# HISTORY AND ORGANIZATION OF THE OISRA

## HISTORY

The Oregon Interscholastic Ski Racing Association (OISRA) was born in 1961 as a high school alpine ski racing organization with just a few schools scattered throughout Oregon and a handful of alpine ski racers. Today, the OISRA is comprised of 51 member schools and over 500 boy and girl high school athletes.

## ORGANIZATION

The OISRA is a 502(c)(3) organization. Designated Alpine Head Coaches self-govern group through representation on the Board of Directors and Head Coaches direct all activities at the League level.

Coaches, parents, and other volunteers provide the workforce for all the high school activities.

The OISRA an affiliate member of a national high school organization - National Federation of State High School Associations.

Acceptance into NFHS is based, in part, on the professionalism of our coaches, who meet the same training requirements as high school coaches for other sports.
